

GET YOUR COIL OR IMPLANT FITTED OR REMOVED AT A SURGERY NEAR YOU.

It's really important to me to not get pregnant at this point in my life.

I didn't realise there was a non-hormonal option

I didn't realise a coil could be part of my HRT.

I'm struggling with my heavy periods.

I'm always forgetting to take my pill, just hope I don't get pregnant.

SPEAK TO YOUR GP RECEPTION TEAM TODAY TO MAKE AN APPOINTMENT.

USING A COIL OR IMPLANT
LESS THAN 1 IN 100
WOMEN WILL GET PREGNANT PER YEAR*
COMPARED WITH THE COMBINED PILL WHERE
9 IN 100
WILL GET PREGNANT.

*James Trussell. Contraception. 2011 83(5): 397-404

PLEASE SPEAK WITH YOUR GP RECEPTIONIST TO BOOK IN.
